Advancing Society through Electrical and Computer Engineering

The 29th annual IEEE Canadian Conference on Electrical and Computer Engineering (CCECE 2016) will be held in Vancouver, British Columbia, Canada from May 15 to 18, 2016. CCECE is the flagship Canadian conference for researchers, students, and professionals in the area of Electrical and Computer Engineering. It is held annually in a Canadian city to disseminate research advancements and discoveries, network and exchange ideas, strengthen existing partnerships, and foster new collaborations. CCECE 2016 general theme, *Advancing Society through Electrical and Computer Engineering*, reflects the profound impact of ECE research on our daily lives. CCECE 2016 themes include:

- ❖ Bioengineering
- ❖ Communications and networks
- ❖ Control and robotics
- ❖ Computer and software techniques
- ❖ Devices, Circuits, and Systems
- ❖ Signal theory and signal processing
- ❖ Power and energy circuits and systems

Paper submission guidelines: Submitted papers must be unpublished and should not be submitted elsewhere at the same time. Accepted papers should not exceed 6 pages in two-column [IEEE Transactions style](https://www.ieee.org/publications_standards/publications/authors/authors_style_guidelines.html). Accepted papers longer than 4 pages will be charged \$100 for each extra page. Papers cannot be longer than 6 pages. Papers should be submitted as PDF files through the paper submission system (<https://edas.info/N21433>). All submitted papers will be peer reviewed by at least three independent reviewers.

Note: To be published in the CCECE 2016 Conference Proceedings and to be eligible for publication in IEEE Xplore®, an author of an accepted paper is required to register for the conference at the full (member or non-member) rate and the paper must be presented by an author of that paper at the conference unless the TPC Chair grants permission for a substitute presenter arranged in advance of the event and who is qualified both to present and answer questions. For authors with multiple accepted papers, one full registration is valid for one paper and the author pays an additional \$200 dollars for each additional paper. However, only one copy of the proceedings will be provided.
