2016 IEEE Canadian Conference on Electrical and Computer Engineering

15-18 May 2016
Vancouver, BC, Canada

Call for Tutorials

IEEE Canadian Conference on Electrical and Computer Engineering (CCECE) is the flagship conference of IEEE Canada for researchers, students, and professionals in the area of Electrical and Computer Engineering. It has been held annually since 1988. In 2016, the conference comes back to the magnificent city of Vancouver for the fourth time.

CCECE 2016 tutorials will be held on Sunday, May 15, 2016. Each tutorial will be 3-hours long and will be open to registered conference participants at no extra charge. The Organizing Committee invites tutorial proposals across the broad areas of electrical and computer engineering and related fields. Tutorial proposal may involve a single speaker, or a group of speakers, and should include:

1. Title
2. Name(s) and affiliation(s) of the speaker(s)
3. Tutorial summary (two pages maximum), including importance and timeliness of the topic
4. Intended audience
5. Brief description of the materials (slides, code) to be provided to the audience
6. Brief biographies of speakers (300 words maximum), highlighting prior experience in delivering conference tutorials.

Proposals from industry and combined industry-academia proposals are especially encouraged. To submit the proposal, please send via email a PDF document containing the required information by **December 13, 2015**, to the Tutorials Co-Chairs:

Bob Gill (Bob_Gill@bcit.ca)
Ivan Bajic (ibajic@sfu.ca)
Thomas Johnson (thomas.johnson@ubc.ca)
